CAPABILITY STATEMENT

COMPANY OVERVIEW

Environmental and Cleaning Services

Dunamis Clean Energy Partners, founded in 2012, is a woman-owned MBE certified, full service leader in the commercial and industrial cleaning industry with a key focus on customer satisfaction. A special emphasis is placed on our employees as we strive to offer a safe, consistent, and stimulating work environment. We offer customized services tailored to the needs of our clients within budget. We are dedicated to ensure the service that we provide complies with OSHA standards. We believe in ethical business practices, treating our employees with respect, serving the community, protecting the environment, and providing our customers with the service they expect.

OUR KEY DIFFERENTIATORS

- All members of our cleaning staff are employees. No temporary workers. They receive rigorous on-site and in-classroom training so that they can master the equipment and application of cleaning solutions.
- We're responsive and reliable – we provide emergency service at any time.
- We work on your schedule – you pick the times and dates that work best for you.
- We clean any size space to the highest standards using industry best practices and state-of-the-art equipment and processes.
- We offer customized services tailored to the needs of our clients
